Unit 7, Lesson 14

Wax Prints

Let's analyze and make wax prints.

Warm-up

Notice and Wonder: Textiles

What do you notice? What do you wonder?

Activity 1

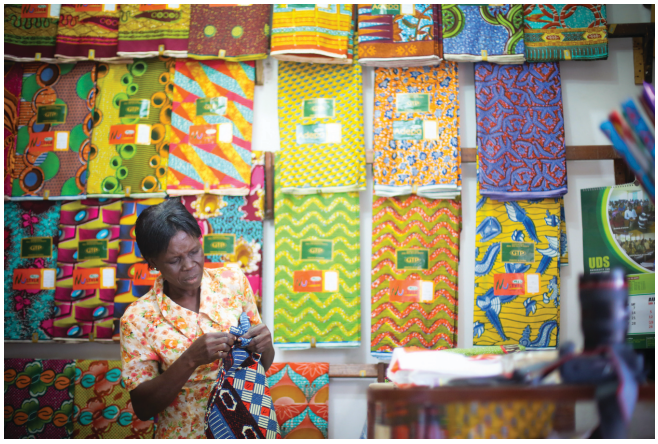
Create a Wax Print Pattern

Your teacher will give you some dot paper for drawing.

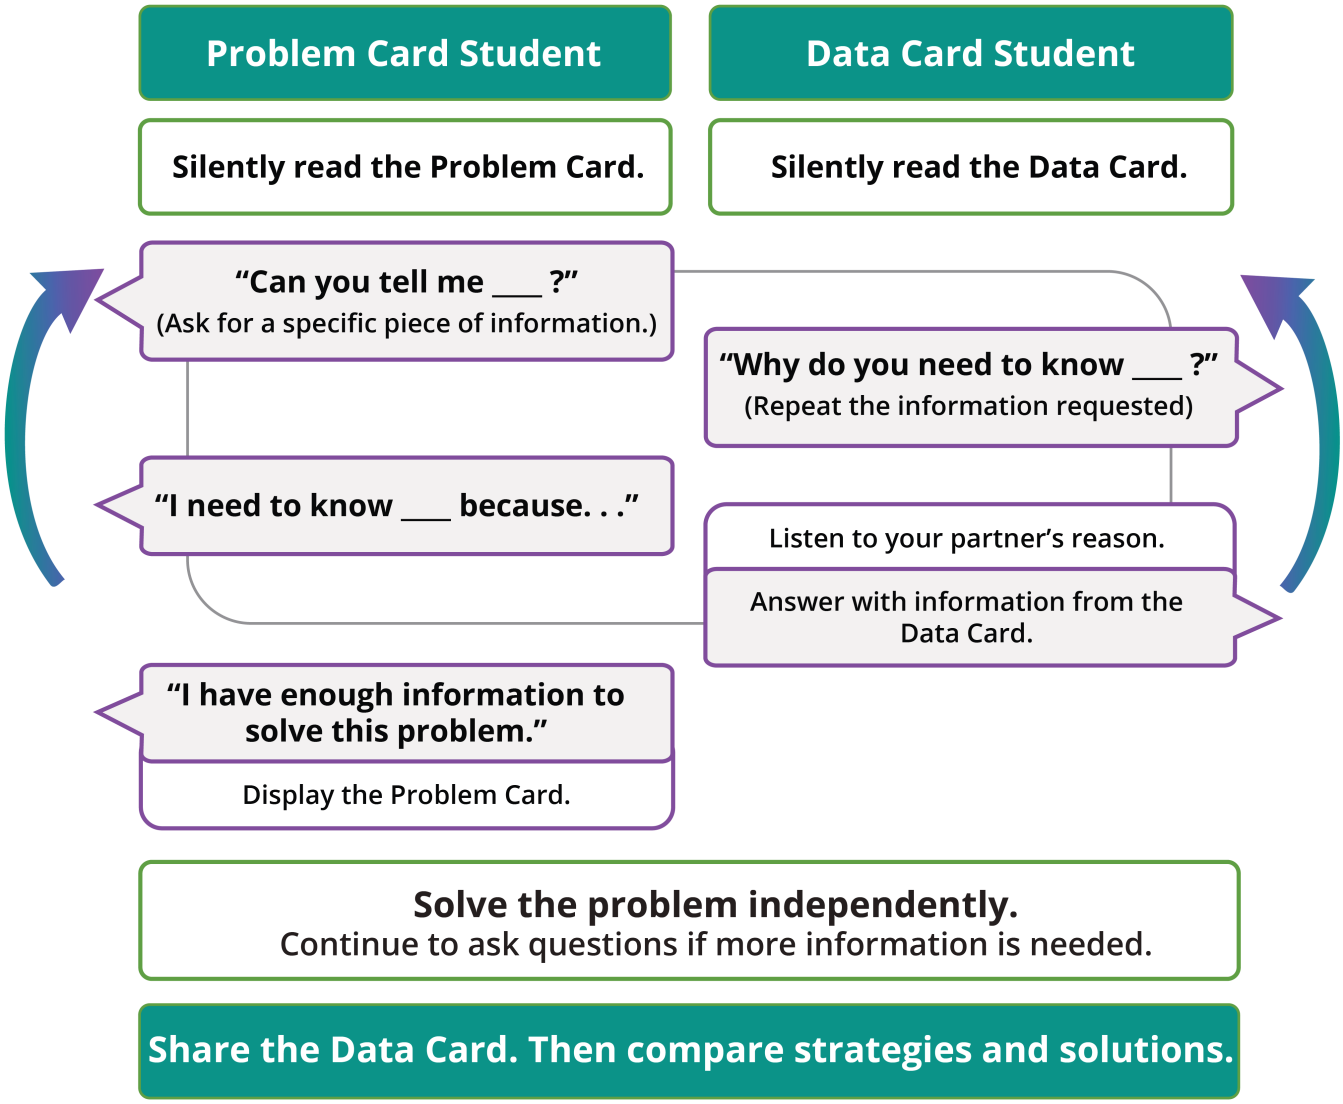
1. Use the dot paper to design your own wax print pattern. Your pattern should:
   a. Use a rhombus, rectangle, or square.
   b. Use a quadrilateral that is not a rhombus, rectangle, or square.
   c. Have each shape repeat at least 5 times.
2. Color the pattern in a way that highlights the shapes you chose or choices you made.

Activity 2

Info Gap: The Bundle



Your teacher will give you either a Problem Card or a Data Card. Do not show or read your card to your partner.

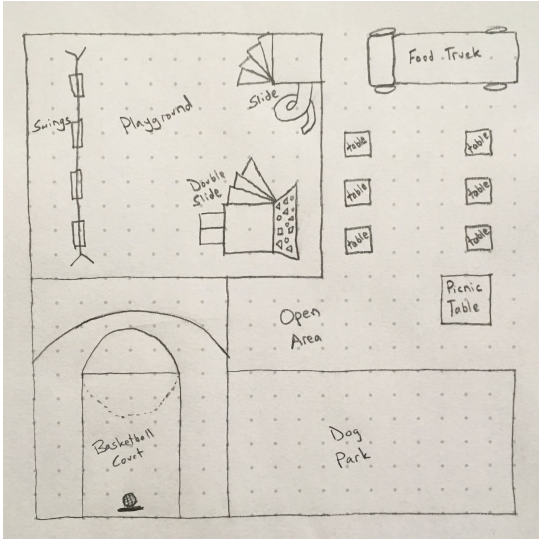


Pause here so your teacher can review your work.

Ask your teacher for a new set of cards and repeat the activity, trading roles with your partner.

Section D Summary

We reasoned about shapes to design a park and wax prints.



We also solved problems involving area and perimeter in designs.
