

| Grade 1, Unit 8 Section C Checkpoint | ● Count a group of up to 120 objects. | | ● Apply place value understanding to represent a quantity with written numerals and expressions. | | |
|--|---------------------------------------|---|--|---|--|
| | Say the count sequence up to 120. | Organize objects to make counting large groups of objects easier. | Read and write numbers within 120. | Represent numbers to show the base-ten structure. | Represent the same number with different amounts of tens and ones. |
