Directions:

- Partner A:
  - Spin to get a measurement.
  - Ask your partner a question comparing that measurement to an amount in a smaller unit in the same measurement system.

| | |
|---|---|
| hours - minutes - seconds | liters - milliliters |
| kilometers - meters- centimeters | pounds - ounces |
| feet - inches | kilograms - grams |

- Partner B:
  - Answer your partner's question.
  - Explain your choice.
- Switch roles and repeat.

Would you rather _____ _____
verb measurement you spun

or _____ _____ ?
number measurement unit you chose
