

- Count up to 10 objects and know the number remains the same regardless of the arrangement of objects.

- Compare the number of objects in groups of up to 10 objects.

Use the structure of 5 (in 5-frames or fingers) to count on from 5 and tell how many.

Use "more,"
"fewer," and
"the same
number" to
describe
comparisons.

Make groups with more, fewer, or the same number of objects than a given group.
