Unit 5, Lesson 2

How Did You Add?

Let's add numbers and find matching equations.

Activity 1

Find the Value

Find the value of $23 + 45$.
Show your thinking using drawings, numbers, or words.

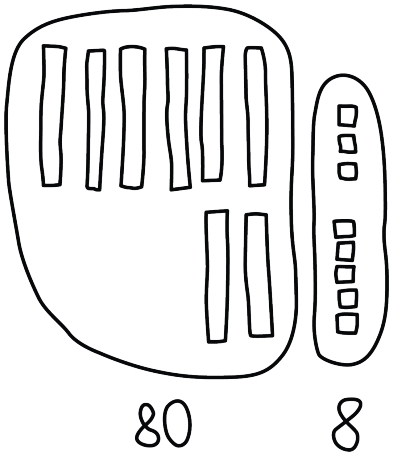

Activity 2

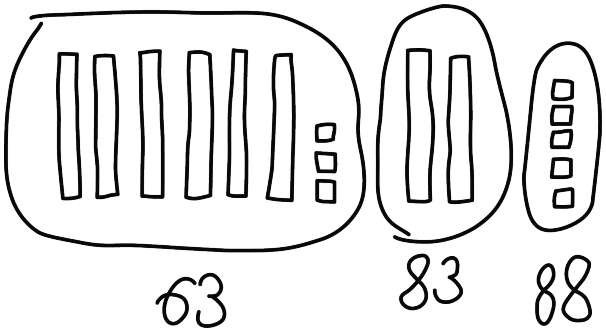

Elena and Andre Represent $63 + 25$

1. Here are 2 drawings students made for $63 + 25$.

Elena's work

Andre's work

Which equations go with each drawing?

Set A

$63 + 20 = 83$

$83 + 5 = 88$

Set B

$60 + 20 = 80$

$3 + 5 = 8$

$80 + 8 = 88$
