CC BY NC 2024 Illustrative Mathematics®

Kindergarten, Unit 5 Section C Checkpoint	• For any number from 1 to 9, find the number that makes 10 when added to the given number.				
	Recognize that a full 10-frame contains 10 counters and that 2 hands have 10 fingers.	Relate equations to compositions and decompositions of 10.	Use the structure of 10-frames or fingers to determine how many more than a given number make 10.	Use connecting cubes to determine how many more than a given number make 10.	Know how many more than a given number make 10.
