

# Does the Number Change?

Let's count objects after we move them.

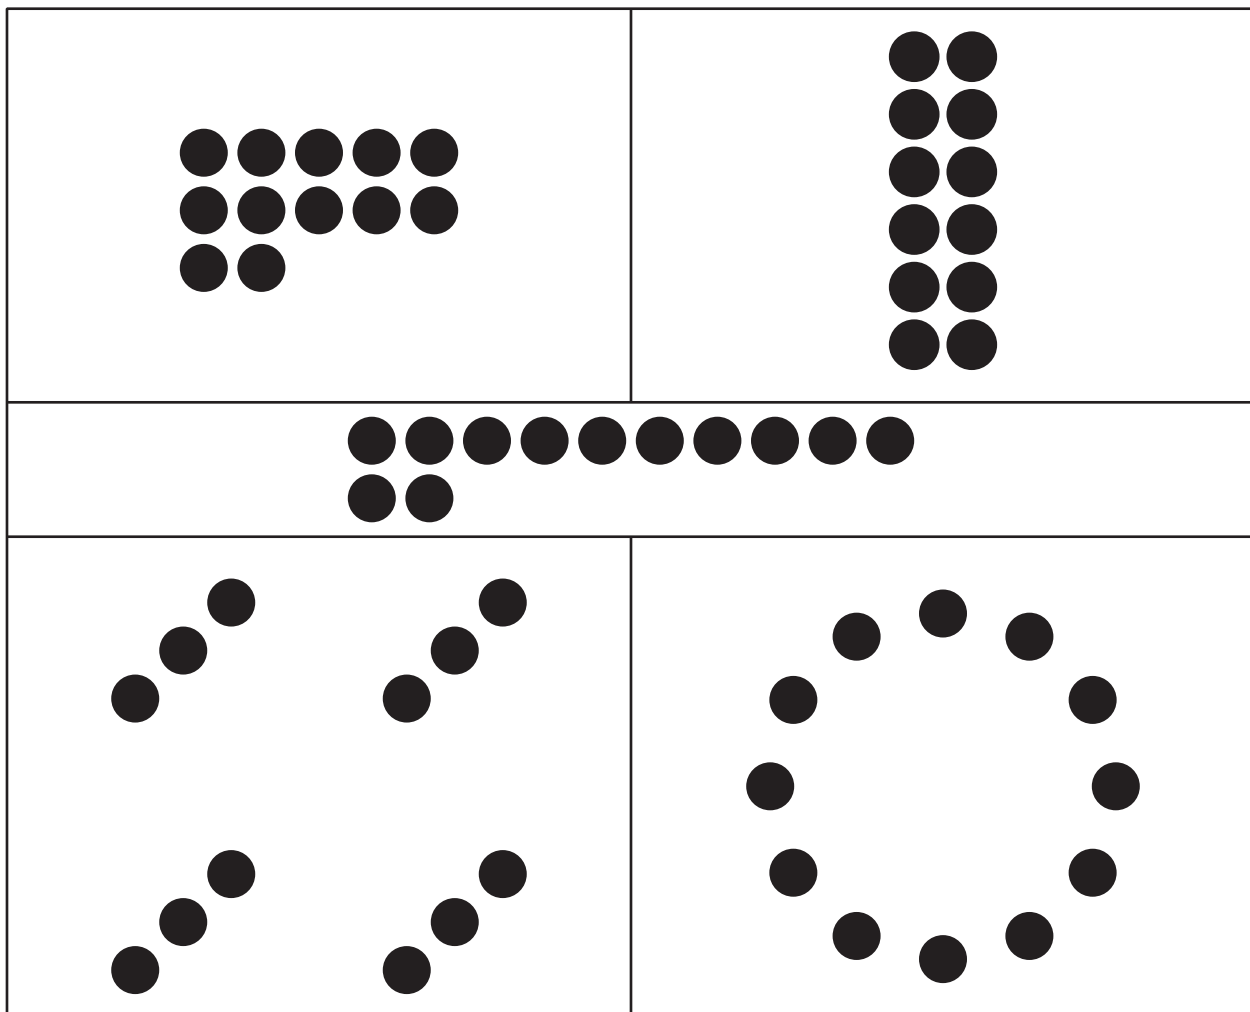

## Warm-up

### Notice and Wonder: Lots of Dots

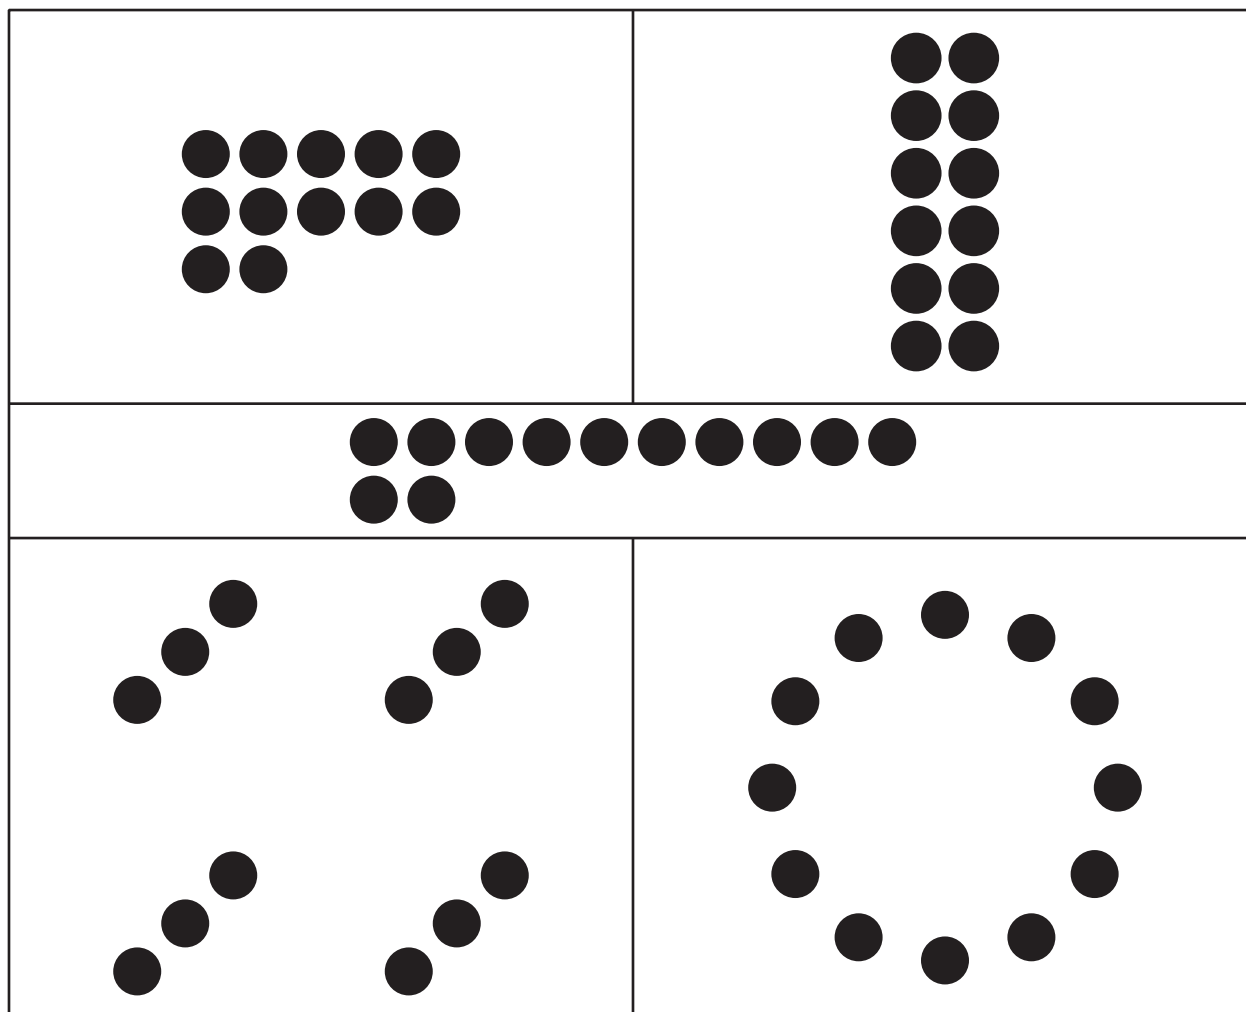

What do you notice?

What do you wonder?

## Activity 2

### Count, Rearrange, Recount

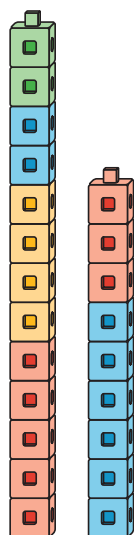

## Activity 3

# Introduce Tower Build—Count and Build to 20

Choose a center.

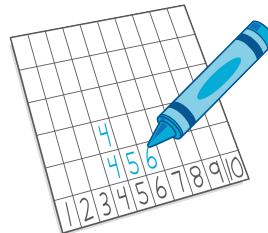

Tower Build

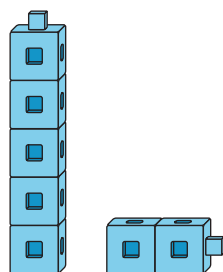

Find the Pair

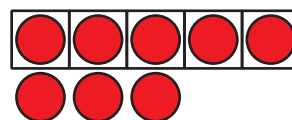

Number Race

Subtraction Towers

5-Frames

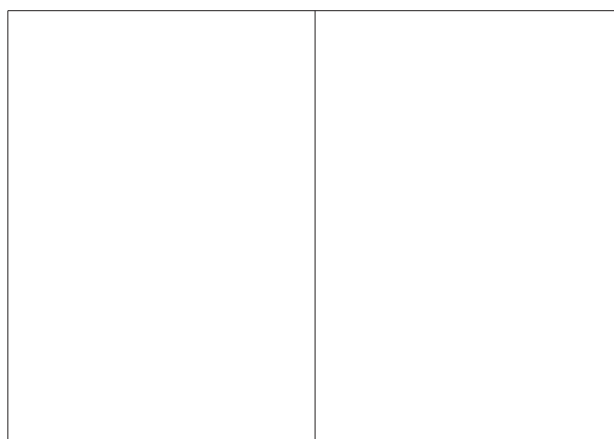

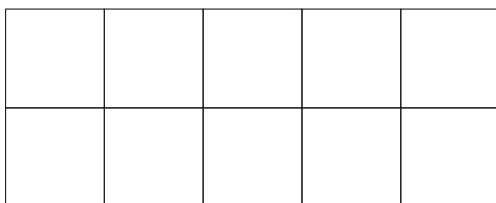

## Section A Summary

We can count up to 20 objects.

We can use 10-frames and counting mats.

We see that the number is the same.
