

Escribamos horas

Escribamos horas en punto y horas y media.

Calentamiento

Verdadero o falso: Cercano a 30

En cada caso, decide si la afirmación es verdadera o falsa.

Prepárate para explicar tu razonamiento.

- $30 = 30$

- $10 + 15 = 15 + 10$

- $10 + 10 + 10 = 3$

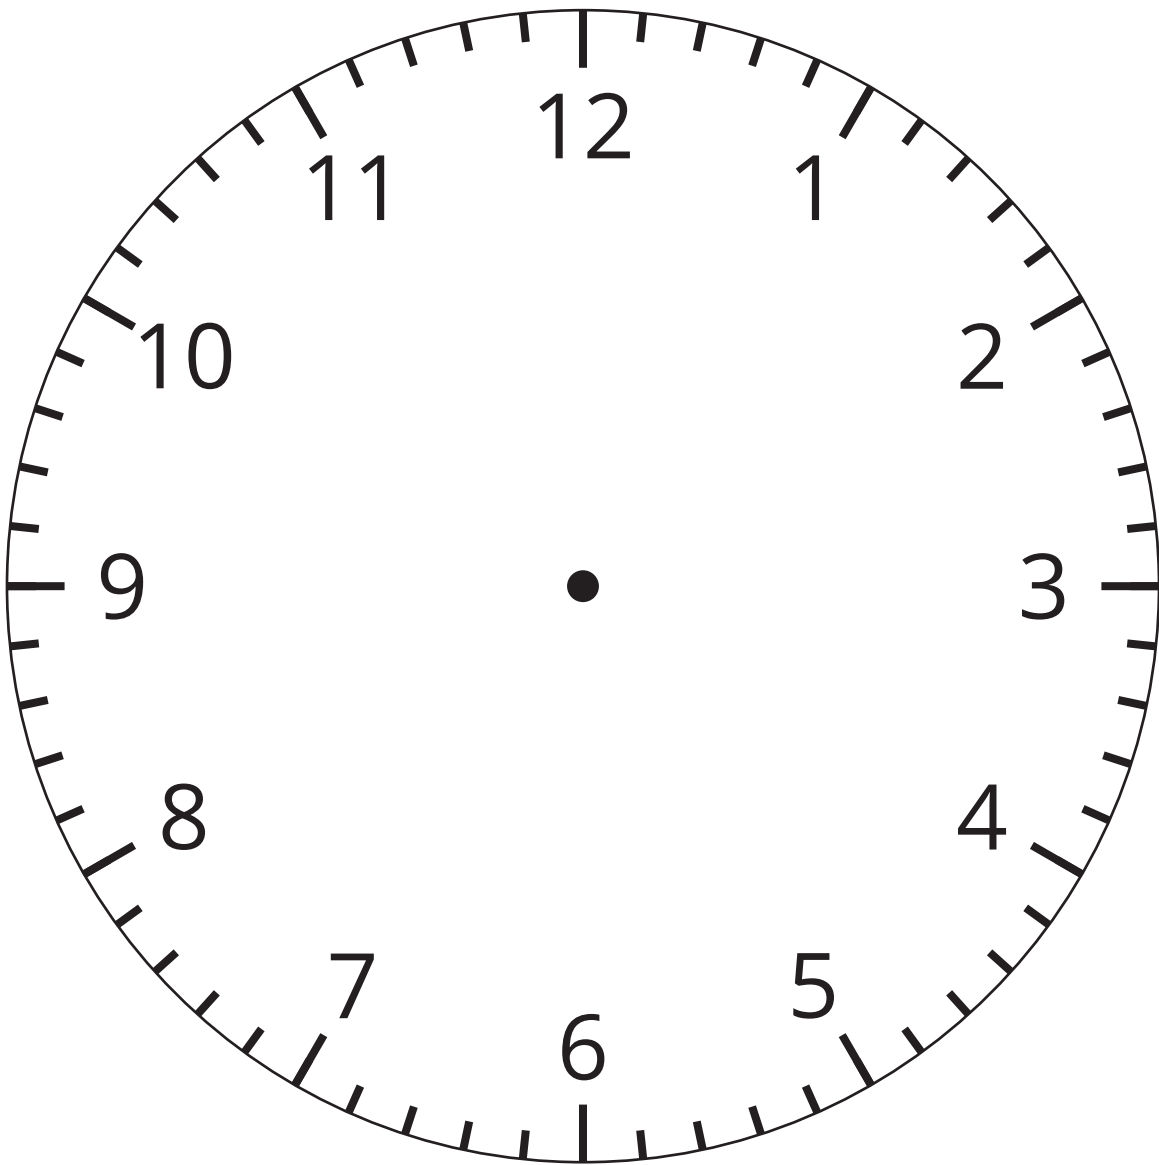

Actividad 1

Contemos los minutos

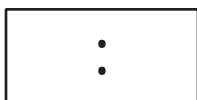

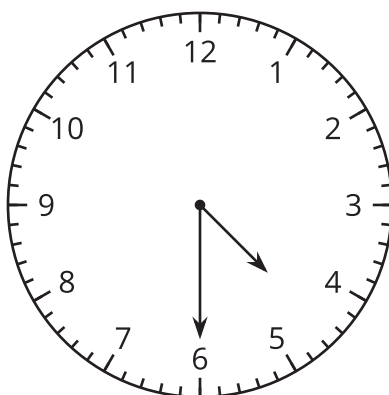

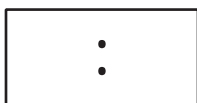

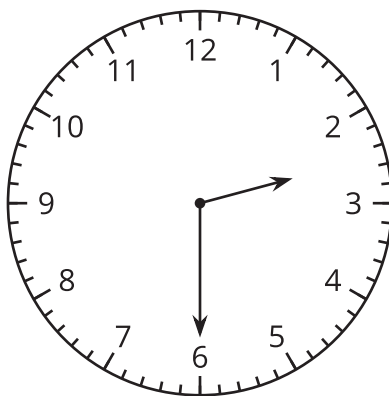

Empieza en el 12.

Cuenta los minutos hasta que llegues a la mitad del reloj.

Marca donde te detuviste.

Tu profesor te dirá qué debes hacer con estos relojes.

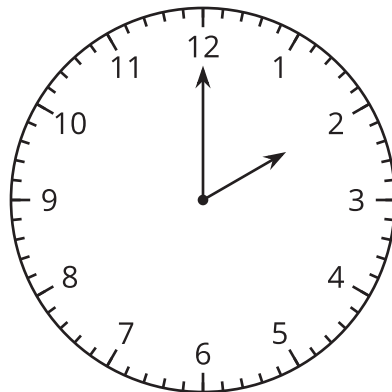

Actividad 2

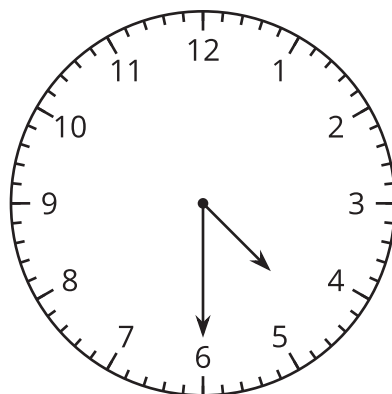

Todo el tiempo del mundo

1. Escribe la hora que muestra cada reloj.

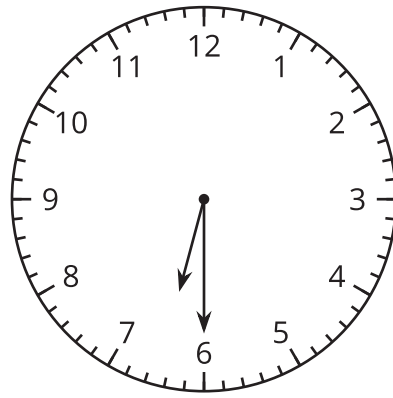

a.

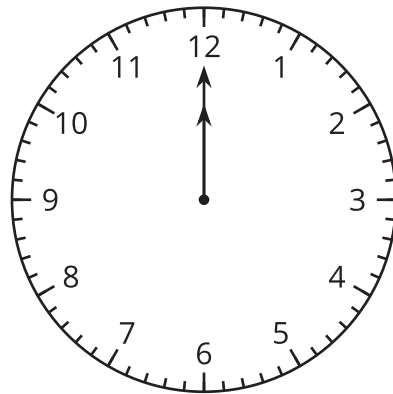

b.

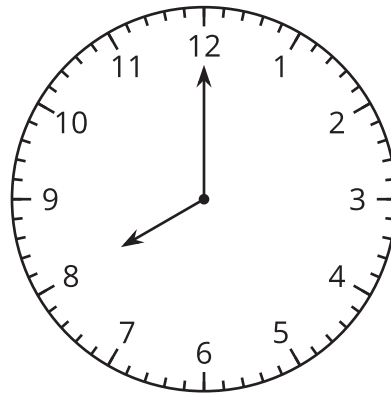

c.

d.

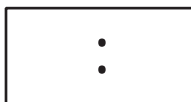

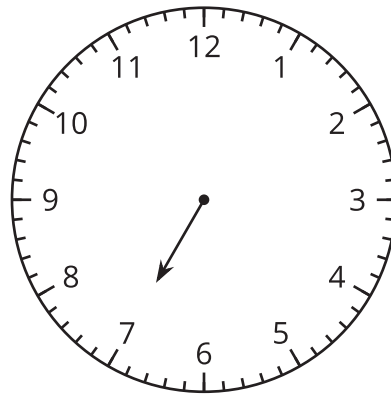

e.

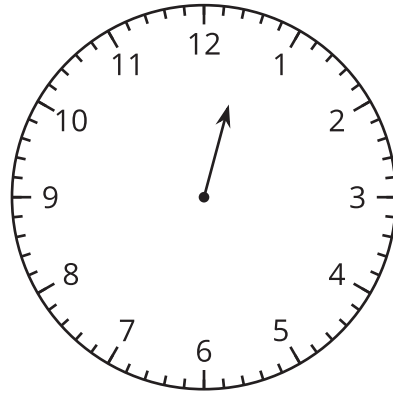

2. En cada reloj, dibuja la manecilla de los minutos y escribe la hora.
