

2.

Look for shapes in your book.

| Draw what you see. | Describe what you see. | What shape is it? |
|--------------------|------------------------|-------------------|
|                    |                        |                   |
|                    |                        |                   |
|                    |                        |                   |
|                    |                        |                   |
