

## Capture Squares Stage 4 Gameboard

### Directions:

- On your turn:
  - Spin the spinner and take 1 number card. Subtract the number on the card from the number on the spinner.
  - Choose a square on the gameboard that shows that number. Draw one line connecting any 2 dots around the number.
  - If you can't draw a line, spin again and take a new card.
  - If you draw a line that finishes a square around a number, shade in that box with your color.
- Take turns with your partner. The first player to shade in 3 boxes wins.
