

Measure with Connecting Cubes

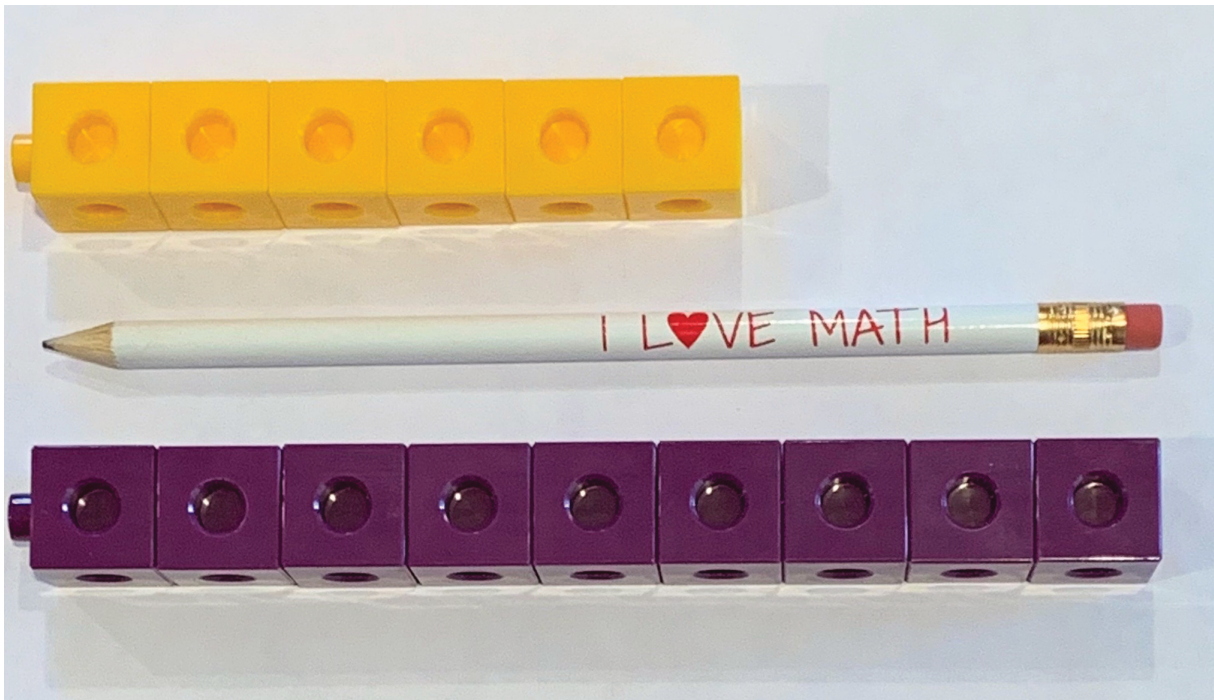

Let's use connecting cubes to measure length.

Warm-up

Notice and Wonder: Measure a Pencil

What do you notice?

What do you wonder?

Activity 3

Centers: Choice Time

Choose a center.

How Close?

$$\begin{array}{|c|c|} \hline \square & \square \\ \hline \end{array} + \begin{array}{|c|c|} \hline \square & \square \\ \hline \end{array} = \underline{\hspace{2cm}}$$

Target Numbers

Five in a Row
