

# Exploraremos expresiones y sumas

Escribamos expresiones de suma y encontremos la suma de 2 números.

## Actividad 1

### Emparejemos expresiones con tarjetas de puntos

Empareja cada par de dados con una expresión.  
Después encuentra el total.

expresión	total
$3 + 2$	
$4 + 2$	
$5 + 3$	
$6 + 4$	
$4 + 3$	

Dibuja los puntos que faltan para que el dibujo corresponda a la expresión. Despues encuentra el total.

Expresión:  $4 + 2$
