Compare Lengths

Let's compare and order objects by length.

Warm-up

Notice and Wonder: Pencils

What do you notice?
What do you wonder?

Activity 1

Is It Longer or Shorter?

Share your thinking with your partner.

- Choose 2 objects. Compare their lengths.
- Choose 2 *different* objects. Compare their lengths.

Write your answers.

1. Choose an object that you write with.
   Find the tower of 3 connecting cubes.

   Which is longer?

   Draw the 2 objects to show which is longer.

2. Choose a different object.
   Find the tower of 8 connecting cubes.

   Which is shorter?

   Draw the 2 objects to show which is shorter.

3. Find an object that is shorter than your shoe.

   Fill in the blank.

   The _____ is shorter than my shoe.

4. Find an object that is longer than your finger.

   Fill in the blank.

   The _____ is longer than my finger.

Activity 2

Order Objects

1. Pick 3 objects.

   Put the objects in order from *shortest to longest.*

   Trace or draw the objects in that order.

2. Pick 3 new objects.

   Put them in order from *longest to shortest*.

   Write the names of the objects in that order.

Activity 3

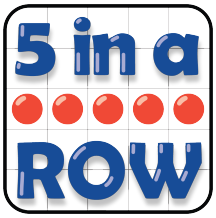

Centers: Choice Time

Choose a center.

Target Numbers

Five in a Row
