Unit 6, Lesson 6

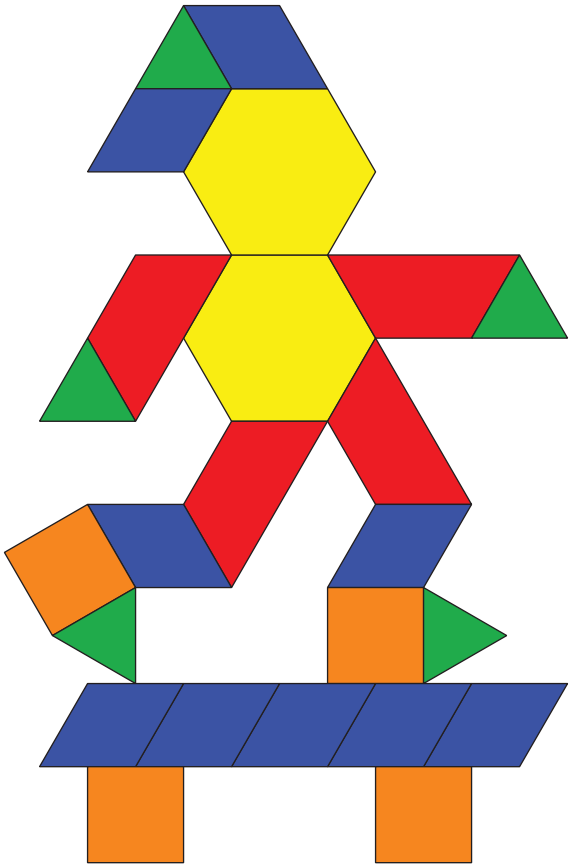

Compose and Decompose Shapes

Let's make shapes with equal-size smaller shapes.

Warm-up

Notice and Wonder: A Picture of Shapes

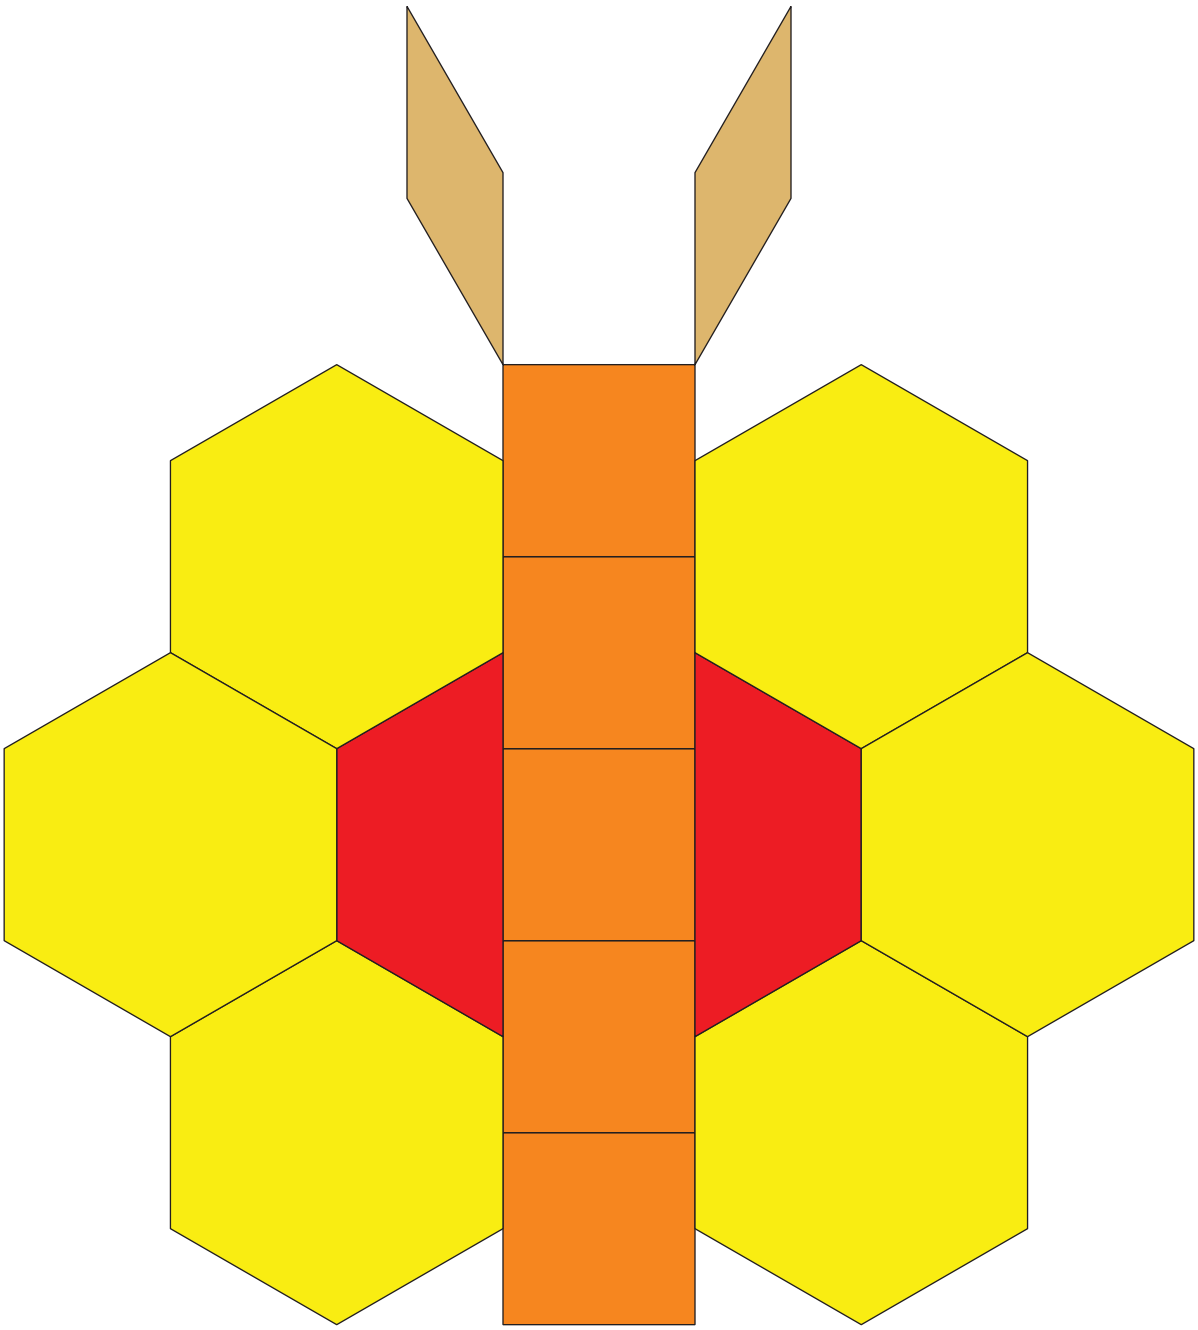

What do you notice? What do you wonder?

Activity 1

Many Ways to Compose Shapes

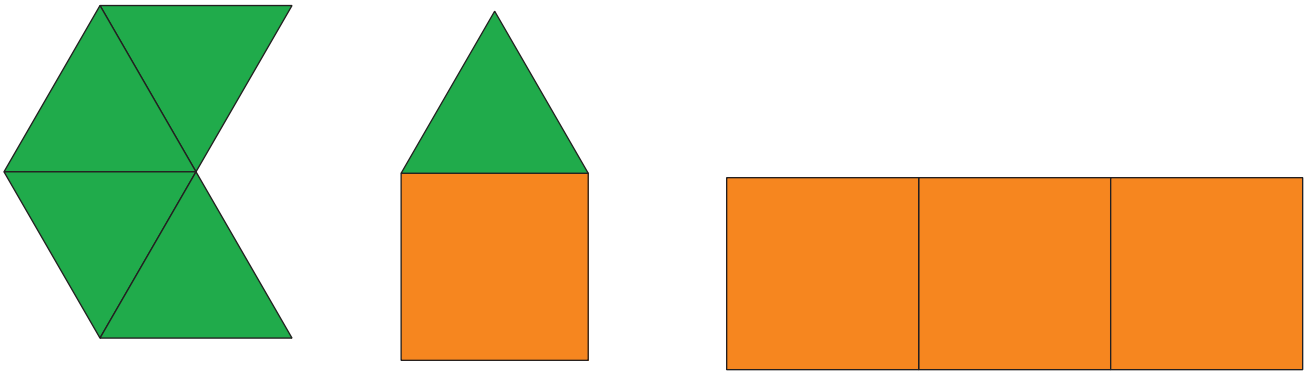

Mai used pattern blocks to make this design. Work with a partner to make the same design, without using yellow hexagons.

Activity 2

Compose Shapes with Equal-Size Pieces

What is the same? What is different?

- Compose 3 different shapes. Use 2, 3, or 4 of the same equal-size shapes.
- Show the outline of each block on the dot paper.

Name each shape and explain how you composed it.
