

Does the Number Change?

Let's count objects after we move them.

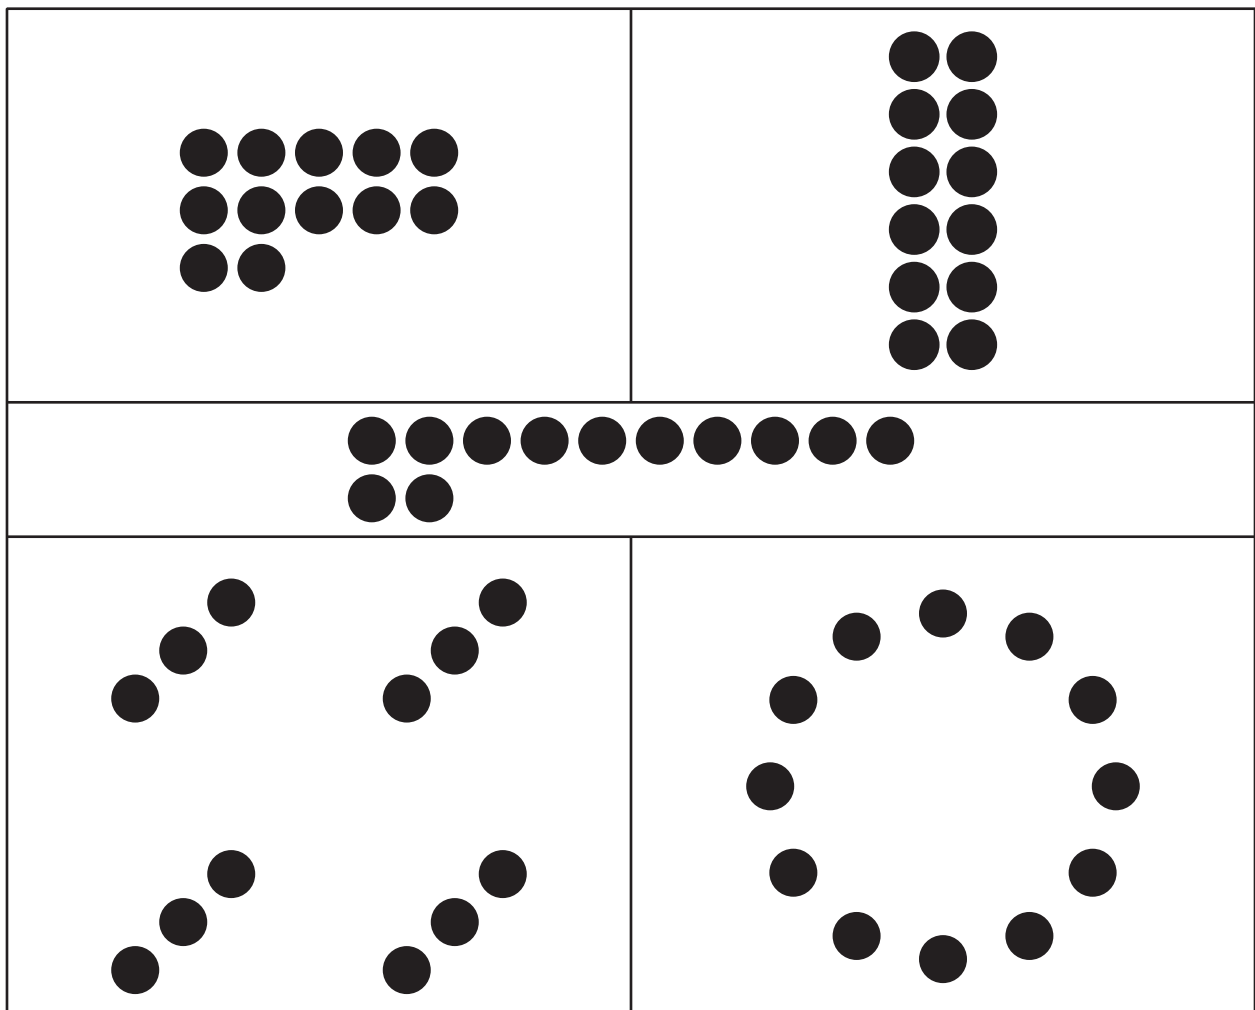

Warm-up

Notice and Wonder: Lots of Dots

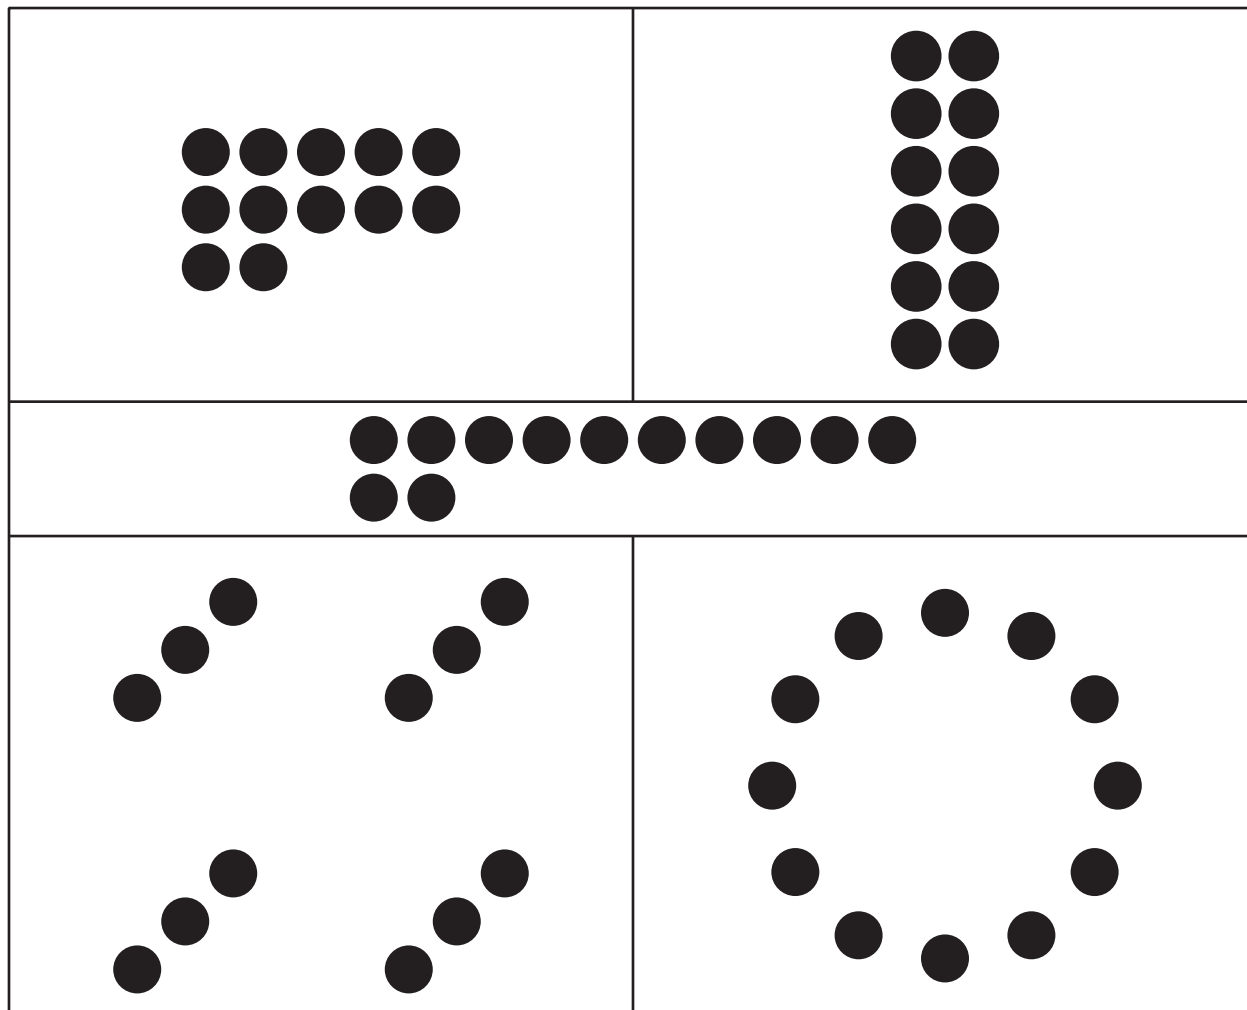

What do you notice?

What do you wonder?

Activity 2

Count, Rearrange, Recount

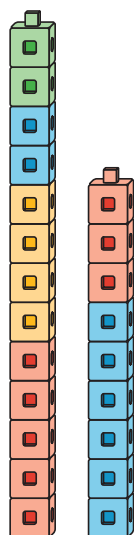

Activity 3

Introduce Tower Build—Count and Build to 20

Choose a center.

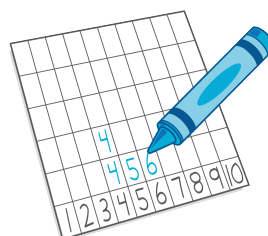

Tower Build

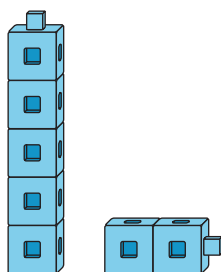

Find the Pair

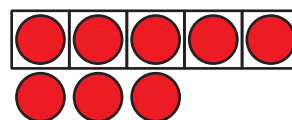

Number Race

Subtraction Towers

5-Frames

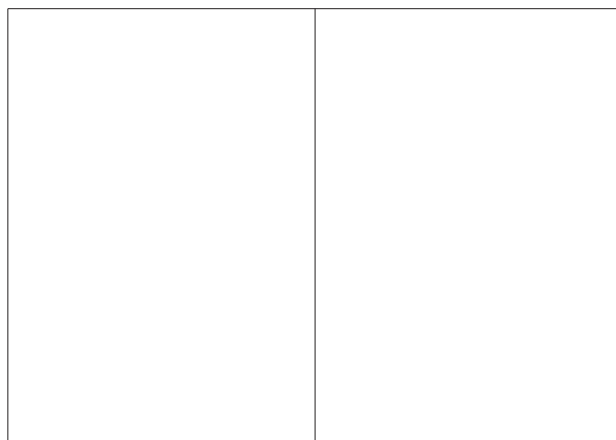

Section A Summary

We can count up to 20 objects.

We can use 10-frames and counting mats.

We see that the number is the same.
