Directions:

- Take out the cards 6–10 and set them aside.
- Flip over 2 number cards to make a two-digit number.
- Both partners build as many rectangles as they can with the area given on the cards.
- When both partners are finished, compare rectangles.
- Partners get 1 point for every rectangle with the given area.
- Partners get 2 points if they build a rectangle with the given area that their partner does not have.
- The partner with more points after 8 rounds wins the game.
