Directions:

- Take out the cards that show 0 and set them aside.
- Flip over 2 number cards and find the value of the product.
- Both partners build as many prisms as they can with the given volume.
- When both partners are finished, compare prisms.
- Partners get 1 point for each prism with the given volume.
- Partners get 2 points if they build a prism with the given volume that their partner does not have.
- The partner with more points after 8 rounds wins the game.
