

# Write Comparisons with Symbols

Let's use symbols to write comparisons.

## Warm-up

### Notice and Wonder: 49 and 45

What do you notice?

What do you wonder?

- $49 > 45$

- $45 < 49$

## Activity 2

### Make the Statement True

1. Compare the numbers.

Write  $<$ ,  $>$ , or  $=$  in each blank.

Then read the comparison statement.

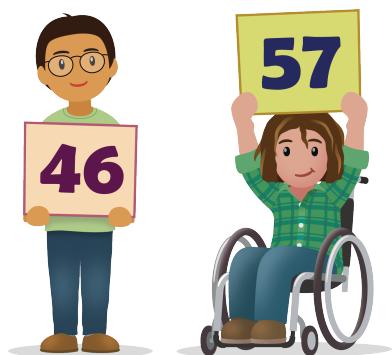

a.  $56 \underline{\hspace{1cm}} 26$

b.  $72 \underline{\hspace{1cm}} 78$

c.  $6 \underline{\hspace{1cm}} 55$

d.  $92 \underline{\hspace{1cm}} 29$

e.  $23 \underline{\hspace{1cm}} 23$

2. Fill in each box with a number to make each statement true.

a.  $\boxed{\phantom{00}} > 78$

b.  $39 < \boxed{\phantom{00}}$

c.  $13 = \boxed{\phantom{00}}$

d.  $\boxed{\phantom{00}} < \boxed{\phantom{00}}$

e.  $\boxed{\phantom{00}} > \boxed{\phantom{00}}$
