

Info Gap: What's the Point: Reflections

Problem Card 1

Triangle GEN has been reflected so that the vertices of its image are labeled points. What is the image of triangle GEN ?

Info Gap: What's the Point: Reflections

Data Card 1

- The image of A is L and the image of L is A .
- The image of G is G .
- The image of N is U and the image of U is N .
- The image of P is T and the image of T is P .
- The image of R is R .

Info Gap: What's the Point: Reflections

Problem Card 2

Several points have been reflected across a line that goes through 2 of the labeled points. Precisely describe the reflection.

Info Gap: What's the Point: Reflections

Data Card 2

- The image of A is G and the image of G is A .
- The image of D is D .
- The image of I is V and the image of V is I .
- The image of J is T and the image of T is J .
- The image of L is Q and the image of Q is L .
- The image of N is N .
