

## Ways to Represent Measurement Situations

Let's make sense of and represent measurement situations at the fair.

Grade 3 Unit 6

## **Notice and Wonder: The Fair**

What do you notice? What do you wonder?

## **Giant Pumpkin Event**

| 1. | Write a list of mathematical questions that could be asked about this |
|----|---|
|    | image.  |
|    |   |
|    |   |
|    |   |
|    |   |

2. Work with your partner to solve the problem you were given by your teacher. On a poster, write the problem you solved and show the thinking you used to solve it.

## **Card Sort: Giant Pumpkins**

Your teacher will give you a set of cards with situations and diagrams.

Match each situation to a diagram. Be ready to explain your reasoning.
