

K.1 End-of-Unit Assessment (Interview Assessment)

Materials Needed Two cups with 5 cubes each.

Student Names	
Question	
1. "Can you please count as high as you can?" When the student stops, ask, "Do you know what number comes after ____?"	Record the last number in the count. Note any mistakes or omissions.
2. Pour 5 cubes onto the table in front of the student. Ask, "How many cubes are on the table?"	Note whether the student: ____ touches or moves each object one time ____ says one number for each object ____ says the numbers in order ____ keeps track of cubes that have been counted
3. When the student finishes counting, ask, "How many cubes are there?"	Note whether the student: ____ answers with the last number they said (even if that last number was inaccurate)
Go to question 4a or 4b.	

Student Names
