Directions:

- Remove the cards that show 10 and set aside.
- Each partner:
  - Pick a color to write with.
  - Flip over 5 cards and create a number less than 100. (Example: 51.093)
  - Spin the spinner and round to that place.
  - Record the rounded number in any empty box.
- Take turns. The first partner to fill 3 boxes in a row wins.
