What Attributes Do You See?

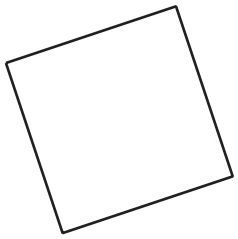

Let's sort shapes into groups.

Warm-up

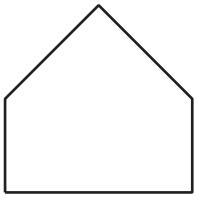

Which Three Go Together: Who's in the Group?

Which 3 go together?

A

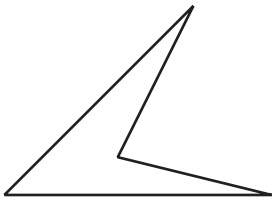

B

C

D

Activity 1

Card Sort: Shapes

Your teacher will give you a set of cards that show shapes.

1. Sort the cards into categories in a way that makes sense to you. Be ready to explain the meaning of your categories.
2. Take turns sorting the cards into 2 new categories. Don't tell your partner how you sorted them. Your partner will then guess how you sorted your shapes.
