

# Measure with Connecting Cubes

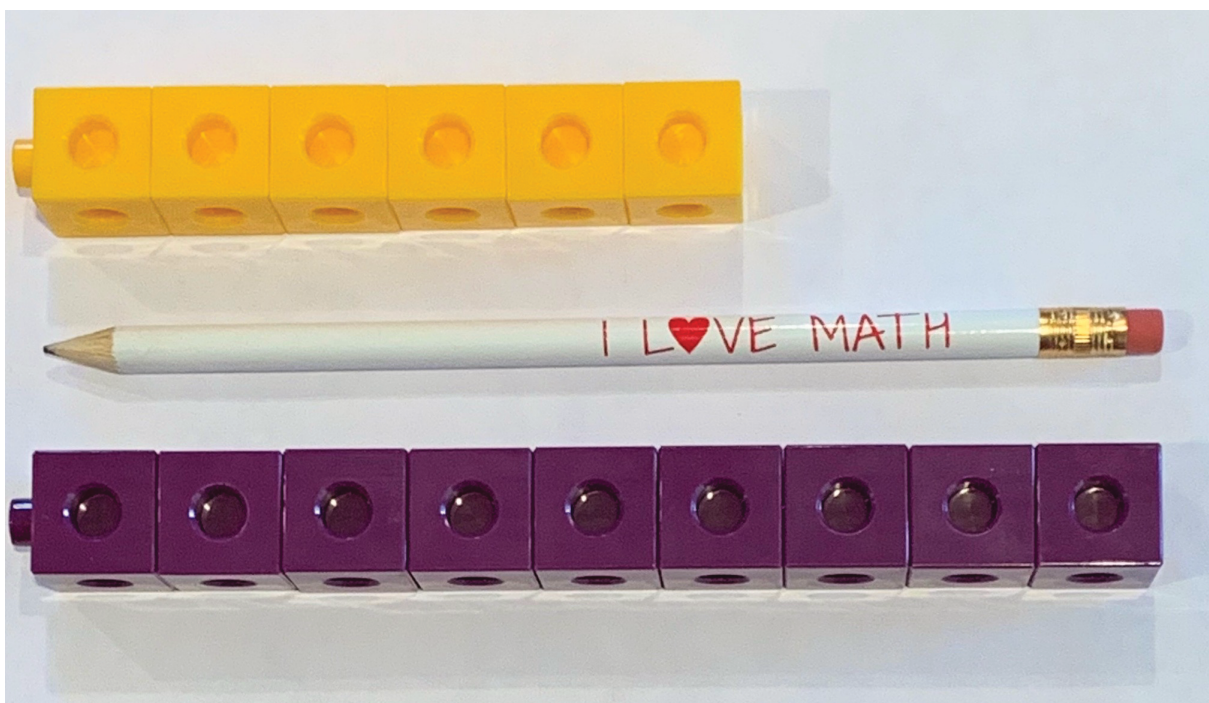

Let's use connecting cubes to measure length.

## Warm-up

### Notice and Wonder: Measure a Pencil

What do you notice?

What do you wonder?

## Activity 3

### Centers: Choice Time

Choose a center.

How Close?

$$\boxed{\phantom{00}}\boxed{\phantom{00}} + \boxed{\phantom{00}}\boxed{\phantom{00}} = \underline{\hspace{2cm}}$$

Target Numbers

Five in a Row
