Teacher-facing Learning Goals

- Count collections of objects.
- Keep track of objects that have been counted.

Student-facing Learning Goals

- Contemos colecciones de objetos.

Lesson Purpose

The purpose of this lesson is for students to count collections of objects. The focus is keeping track of which objects have been counted.

Students figure out how many students are in class during Questions About Us routine. Students then count objects in different collections in a way that makes sense to them. The second activity is an optional activity that provides support in pairing the verbal count sequence with objects.
