

Info Gap: A Whole Bunch of Angles

Problem Card 1

Three lines and a ray cross and make a bunch of angles.

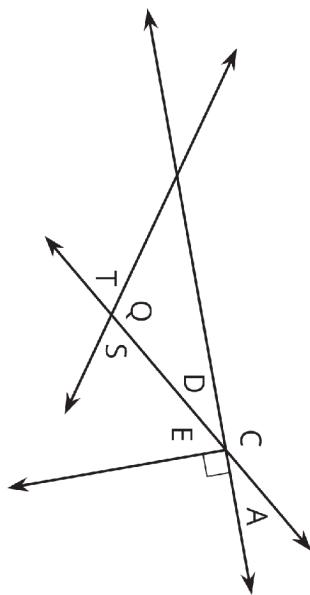

1. What is the size of Angle P?

2. Which angle is greater: Angle P or Angle D?

Info Gap: A Whole Bunch of Angles
Data Card 1

- Angle U is 128° .
- Angle D is the same size as Angle A.
- Angle C is 143° .

Info Gap: A Whole Bunch of Angles
Problem Card 2

1. What is the size of Angle Q?

2. Which angle is greater: Angle T or Angle E?

Info Gap: A Whole Bunch of Angles
Data Card 2

- Angle T is less than a right angle.
- Angle S is 79° .
- Angle A is 37° .
