

# Connect Quantities and Numbers

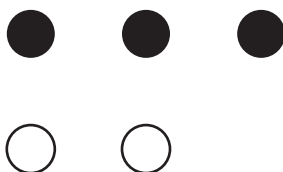

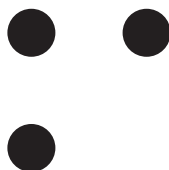

Let's figure out which groups of objects go with which numbers.

## Warm-up

### How Many Do You See: Image Flash

How many do you see?

How do you see them?

## Activity 2

### Counting Stations

| number of objects | bag name |
|-------------------|----------|
| 1                 |          |
| 2                 |          |
| 3                 |          |
| 4                 |          |
| 5                 |          |

| number of objects | bag name |
|-------------------|----------|
| 6                 |          |
| 7                 |          |
| 8                 |          |
| 9                 |          |
| 10                |          |

## Activity 3

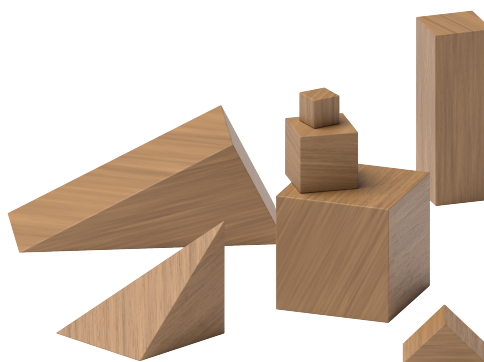

### Revisit Number Race—Numbers 1–10

Choose a center.
