Directions:

- On your turn:
 - Spin the spinner. Take 1 number card. Subtract the number on the card from the number on the spinner.
 - Choose a square on the gameboard that shows that number. Draw 1 line. Connect any 2 dots around the number.
 - If you can't draw a line, spin again. Then take a new card.
 - If you draw a line that finishes a square around a number, shade in that box.
- Take turns. The first player to shade in 3 boxes wins.
