Directions:

- Partner A:
  - Place a paper clip on 2 numbers in the gray row.
  - Multiply the numbers.
  - Cover the product with a counter.
- Partner B:
  - Move 1 of the paper clips.
  - Multiply the numbers.
  - Cover the product with a counter.
- Take turns. If a partner finds a product that is already covered, they move the paper clip to a different number. The game ends when a partner fills the gameboard or places 5 counters in a row—across, up and down, or diagonal.

Directions:

- Partner A:
  - Put a paper clip on 1 number in each gray row.
  - Multiply the numbers.
  - Cover the product of the 2 numbers with a counter.
- Partner B:
  - Move 1 of the paper clips to another number.
  - Multiply the numbers.
  - Cover the product with a counter.
- Take turns. If a partner finds a product that is already covered, they move the same paper clip to a different number. The game ends when a partner fills the gameboard or places 5 counters in a row—across, up and down, or diagonal.

Directions:

- Partner A:
  - Put a paper clip on 3 numbers in the gray row.
  - Multiply the numbers.
  - Cover the product of all 3 numbers with a counter.
- Partner B:
  - Move 1 of the paper clips to another number.
  - Multiply the numbers.
  - Cover the product with a counter.
- Take turns. If a partner finds a product that is already covered, they move the same paper clip to a different number. The game ends when a partner fills the gameboard or places 5 counters in a row—across, up and down, or diagonal.
