## Unit 8 Lesson 13: How Many Do You See?

### WU How Many Do You See: Equal Groups (Warm up)

#### Student Task Statement

How many do you see? How do you see them?

### 1 Design Your How Many Do You See

#### Student Task Statement

1. Draw a dot image that would encourage your classmates to count equal groups.
2. Write down possible ways students might see the dots in your image.

Ways students might see the dots:

- 
- 
- 

### 2 Facilitate Your How Many Do You See

#### Student Task Statement

1. Ask your classmates, "How many do you see? How do you see them?"
2. Flash your image.

- 
3. Give 30 seconds quiet think time.
  4. Display your image.
  5. Give them a minute to discuss together.
  6. Ask them to share how many they saw and how they saw them.
  7. Record their ideas.
