Info Gap: A Whole Bunch of Angles

Problem Card 1

Three lines and a ray cross and make a bunch of angles.

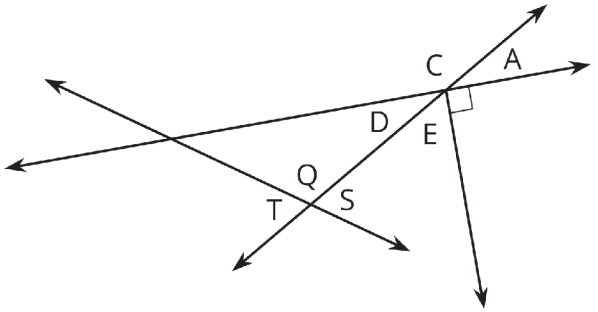

1. What is the size of Angle P?
2. Which angle is greater: Angle P or Angle D?

Info Gap: A Whole Bunch of Angles

Problem Card 2

Three lines and a ray cross and make a bunch of angles.

1. What is the size of Angle Q?
2. Which angle is greater: Angle T or Angle E?

Info Gap: A Whole Bunch of Angles

Data Card 1

- Angle U is 128°.
- Angle D is the same size as Angle A.
- Angle C is 143°.

Info Gap: A Whole Bunch of Angles

Data Card 2

- Angle T is less than a right angle.
- Angle S is 79°.
- Angle A is 37°.
