

Directions:

- Remove the cards that show 10. Set them aside.
- Pick a number card. Write that number in one of your blanks for Round 1.
- Take turns.
- Repeat until each partner has a 3-digit number.
- Write a comparison using  $>$ ,  $<$ , or  $=$ .
- The partner with the greater 3-digit number wins the round.

Round 1:

| Partner A's Number                           | Partner B's Number                           |
|----------------------------------------------|----------------------------------------------|
| <div><div></div><div></div><div></div></div> | <div><div></div><div></div><div></div></div> |
| Compare using $>$ , $<$ , or $=$ .           |                                              |
|                                              |                                              |

Round 2:

| Partner A's Number                           | Partner B's Number                           |
|----------------------------------------------|----------------------------------------------|
| <div><div></div><div></div><div></div></div> | <div><div></div><div></div><div></div></div> |
| Compare using $>$ , $<$ , or $=$ .           |                                              |
|                                              |                                              |

Round 3:

| Partner A's Number                                                                | Partner B's Number                                                                 |
|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
|  |  |
| Compare using $>$ , $<$ , or $=$ .                                                |                                                                                    |
|                                                                                   |                                                                                    |

Round 4:

| Partner A's Number                                                                 | Partner B's Number                                                                  |
|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |
| Compare using $>$ , $<$ , or $=$ .                                                 |                                                                                     |
|                                                                                    |                                                                                     |

Round 5:

| Partner A's Number                                                                | Partner B's Number                                                                 |
|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
|  |  |
| Compare using $>$ , $<$ , or $=$ .                                                |                                                                                    |
|                                                                                   |                                                                                    |

Round 6:

| Partner A's Number                                                                 | Partner B's Number                                                                  |
|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |
| Compare using $>$ , $<$ , or $=$ .                                                 |                                                                                     |
|                                                                                    |                                                                                     |
