2 Picture Graphs and Bar Graphs

Student Task Statement

A group of students were asked, "How do you get home?" Their responses are shown in a picture graph and a bar graph.

Each  represents 1 student.

1. How are the graphs the same? How are they different?
2. What can we learn about how students get home based on the graphs?
3. Write two questions you could ask about how students get home based on the graphs.
