

## Kindergarten, Unit 2 Section B Checkpoint

- Count up to 10 images in organized arrangements and know the number remains the same regardless of the order in which the images are counted.

- Compare the number of images in groups of up to 10 images.

Say one number for each object.

Answer how many without counting again.

Use the structure of 5 (in 5-frames or fingers) to count on from 5 to tell how many.

Compare the number of images in groups.

Use “more,”  
“fewer,” and “the  
same number” to  
describe  
comparisons.

Make groups with more, fewer, or the same number than a given group.
