## Directions:

- Partner A: Cover up a number. That is your score for this turn.
- Partner B: Cover up all the factors of that number. The sum of the factors is your score for this turn.
- Take turns choosing numbers and finding factors.
- If a partner chooses a number with no uncovered factors remaining, that partner loses a turn and does not get any points for the round.
- The game ends when there are no numbers left with uncovered factors. The partner with the higher score wins.
