

2.

Busca figuras en tu libro.

| Dibuja lo que ves. | Describe lo que ves. | ¿Qué figura es? |
|--------------------|----------------------|-----------------|
|                    |                      |                 |
|                    |                      |                 |
|                    |                      |                 |
|                    |                      |                 |
