Directions:

- Each partner chooses to write in a different color.
- On your turn:
  - Spin the spinner and roll the number cube.
  - Shade in a rectangular area to represent the product of the 2 numbers.
- If your product won't fit on the gameboard, roll and spin again.
- Take turns until the grid can't be filled with any more rectangles.
- Each partner adds up their total area, the partner with the greater total square units wins.
