Instrucciones:

- Escoge una tarjeta de fracciones.
- Escribe tu número en cualquier casilla del tablero. Los números deben ir del menor al mayor. Si tu número es equivalente a un número que ya aparece en el tablero, lo puedes escribir en la misma casilla.
- Si escribes un número en el tablero, no lo puedes cambiar. Si no puedes escribir tu número en el tablero, te quedas con la tarjeta, dices "paso" y ganas un punto.
- Jueguen por turnos hasta llenar todas las casillas o hasta que no puedas escribir más fracciones en el tablero. Al final, gana el compañero que tenga menos puntos.
