Unit 5 Lesson 11: Place Value Comparisons (Part 2)

WU True or False: Greater Than or Less Than (Warm up)

Student Task Statement

Decide if each statement is true or false. Be prepared to explain your reasoning.

- $86 > 80 + 4$
- $400 + 40 + 6 < 846$
- $330 < 300 + 3$
- $500 + 50 > 505$

1 Compare and Explain

Student Task Statement

Compare the numbers.

1.

521

>, =, or <

523

Explain or show your thinking. If it helps, use a diagram or number line.

2.

889

>, =, or <

878

Explain or show your thinking. If it helps, use a diagram or number line.

3. Place the numbers in the blanks to make each comparison true. Use each number only once. Use base-ten diagrams or a number line if it helps.

810

529

752

495

- _____ $>$ 519
- 687 $<$ _____
- _____ $<$ 501
- _____ $>$ 793

2 Play Greatest of Them All

Student Task Statement
