

# Create Groups of Images

Let's make groups that have more, fewer, or the same number of images.

# Activity 1

## Draw Groups of Images

| my group | my partner's group |
|----------|--------------------|
|          |                    |
|          |                    |
|          |                    |

| my group | my partner's group |
|----------|--------------------|
|          |                    |
|          |                    |
|          |                    |

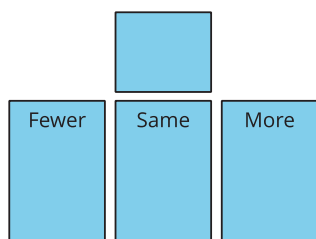

## Activity 3

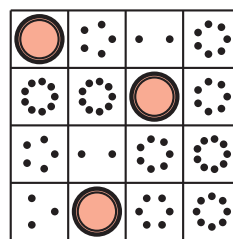

### Centers: Choice Time

Choose a center.

Fewer, Same, More

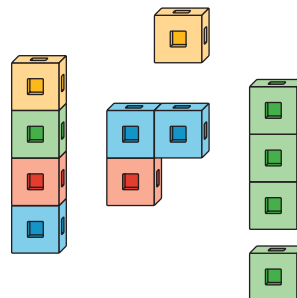

Bingo

Math Stories

Connecting Cubes

Number Race

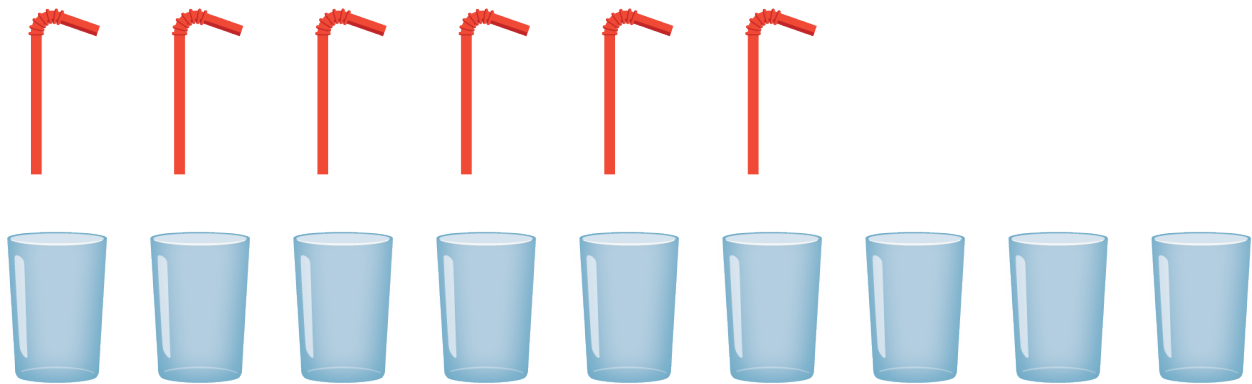

## Section B Summary

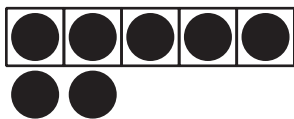

We can match to compare groups.

We can count to compare groups.

We say “more,” “fewer,” or “the same number” to compare.

There are more cups than straws.

6 dots is fewer than 7 dots.
