## Directions:

- Split the deck. Place the cards facedown in 2 stacks.
- Each partner flips over a card.
- Compare the values. The partner with the greater value keeps both cards.
- If the values are the same, each partner turns over 1 more card. The partner with the greater value keeps all 4 cards.
- Play until you run out of cards. The partner with more cards at the end of the game wins.

Record any sets of cards that are challenging to compare.
