Directions:

- On your turn:
  - Pick 2 number cards. Make a 2-digit number.
  - Write your number in any space on the board. The numbers must go from least to greatest.
  - You may not move a number once it is on the board. If your number can't be placed on the gameboard, say "pass." You get a point.
- Take turns until all the spaces on the board are filled or you can't make any more numbers that fit on the board. The partner with fewer points when the board is filled wins the game.
